Job Interview Questions

Essential Cheat Sheet

My personal favorite!

"What do you think is your biggest weakness?"

I can sometimes exhibit perfectionism, which can delay completion, but ensures high-quality work.

(You have turned a negative into a positive... You're welcome!)

General Information

"Tell me about yourself."

- Share your career and organizational journey.
- Explain what you like about this company.
- Keep it concise and to the point.

"What do you know about us?"

- Do research on the company and share some facts about it.
- Discuss your experience with the products/services provided by the company.

"What motivates you to consider a new position?"

- Prioritize your personal and career growth.
- Avoid speaking negatively about your previous company.

"What drives your motivation to work with us?"

- Do research on the company and share what you love about it.
- Connect the job position with your last experience.

Skills/Experience

"What action did you take when you missed a deadline?

- Acknowledge the situation and be honest without assigning blame.
- Explain valuable skills you used in that situation.

"What was the toughest problem you faced?

- Explain why the problem was challenging.
- Show your problem-solving abilities by sharing how you resolved it.

"How did you uncover an overlooked issue?"

- Provide examples from your own experience.
- Demonstrate your initiative and creativity in uncovering the issue.

"How did you manage multiple responsibilities?"

- Explain how you prioritize your tasks effectively.
- Demonstrate your organizational abilities.

Strength/Weakness

"How can your strengths benefit our team?"

- Elaborate on how your strengths align with the job requirements.
- Let the job description be your reference point.

"What skills are you currently working on improving?"

- Be honest and emphasize real weaknesses that you possess.
- Describe the steps you are taking to improve yourself.

"How can you collaborate with a challenging individual?"

- Utilize your emotional intelligence.
- Emphasize the importance of communication skills in this scenario.

"How did you handle tough decision-making situations?"

- Detail the process, how you did it, and the insights gained from it.
- Demonstrate your resilience.
